REMARKS

In view of the Notice of Allowance mailed on March 25, 2005, the Examiner and Applicant's undersigned representative agree upon an amendment to the specification to clarify certain language used in the specification and the claims. Specifically, the parenthetical "(also known as texture maps)" is to be added to the first line of the first paragraph on page 14 of the specification, after the words "Textured images." In teleconferences held on Thursday, June 23, 2005, Friday, June 24, 2005 and Monday, June 27, 2005, the Examiner and Applicant's undersigned representative agreed that the Examiner would enter this amendment as an Examiner's amendment.

Applicant is filing the RCE to ensure that the agreed upon Examiner's amendment is properly entered into the record before paying the issue fee for the allowed claims.

Conclusion

If there are any question regarding any of the foregoing, please contact the Applicant's undersigned representative at the number provided below.

Respectfully submitted,
